

WALK WITH ME

**DIRECTED BY MARC J. FRANCIS and MAX PUGH
NARRATED BY BENEDICT CUMBERBATCH
IN CINEMAS 5th JANUARY 2018**

With unprecedented access, 'Walk With Me' takes us deep inside the world-famous monastery of Zen Buddhist master Thich Nhat Hanh, and captures the life of a monastic community who have given up all their possessions for one common purpose – to practice the art of mindfulness.

Filmed over three years, this visceral film is a meditation on a community determined to develop a deep sense of presence, not just for themselves but for all those they love.

As the seasons come and go, the monastics' inner journey is amplified by insights from Thich Nhat Hanh's early journals, narrated by Benedict Cumberbatch.

Premiering at SXSW Film Festival, and screening at the 2017 London Film Festival, WALK WITH ME gains a personal insight through its candid interviews with the monks and nuns who have decided to leave their families to follow in Thich Nhat Hanh's footsteps.
